Your Insurance contract

When you buy the type of insurance cover you need, we enter into a contract with you which is called the policy and is made up of:

- your policy schedule;
- this Product Disclosure Statement (PDS);
- any applicable Supplementary PDS (SPDS) we issue that varies it; and
- any other document we tell you forms part of the policy which may vary or modify the above documents.

This document (together with any amendments, updates or endorsements that we give you in writing which may vary it) will also apply for any offer of renewal we make, unless we tell you otherwise or issue you with a new and updated PDS.

If there is more than one insured on the policy, then anything that any of the insureds say, do or omit to advise to us, applies to and affects the rights to all of the insureds.

Your waiting period for cyclone, flood and storm surge

To manage the risk of people taking out insurance on their uninsured Recreational Vehicle when events such as cyclones, floods or bush fires are predicted, we do not provide cover (where the type of cover you have provides it) for any loss of or damage to your Recreational Vehicle caused by these events during the first 72 hours after the policy is first taken out by you (it does not apply to renewals). However, you will be covered from the time you take out the policy for covered loss of or damage to your Recreational Vehicle not caused by these events.

Recreational Vehicle Policy Schedule

Your policy schedule shows the type of cover you have and any optional covers you have added under the policy. It also shows the period that the policy covers you for, called the period of insurance.

Receiving your policy documents

You may choose to receive your policy documents

- electronically (by email); or
- hard copy by post.

In the event that you choose to receive your documents electronically, we will send them to the email address that you provide us, not your mailing address. Any documents sent by email will be considered to have been received by you 24 hours from the time we sent them to your email address.

If you do not tell us to send your documents to you electronically, then we will send them to you by post to the mailing address that you have provided us.

It is your responsibility to make sure that both the email and mailing address you have provided us are up to date. This means you need to let us know if you change your email or mailing address as soon as it happens (refer to “Changes to your policy”).

Your responsibilities

It is up to you to choose the cover you need. Because we and our representatives do not advise you on whether the policy is specifically appropriate for your objective, financial situation or needs, you should carefully read this document before deciding.

When entering into the policy or on variation, extension, replacement or reinstatement you must meet your duty of disclosure obligations. See page 15.

During the term of the policy you must follow and meet all of the policy’s terms and conditions. In particular:

- take all reasonable care to prevent loss of (including theft) or damage to your Recreational Vehicle. This includes but is not limited to:
 - (i) moving your Recreational Vehicle from rising flood waters if it is safe to do so;
 - (ii) ensuring all the doors and windows are locked when the Recreational Vehicle is parked or unattended, which includes removing your keys and locking the Recreational Vehicle and ensuring all security and tracking devices are active and maintained;
 - (iii) keeping all keys to your Recreational Vehicle secure and safe at all times;
 - (iv) keep your Recreational Vehicle well maintained and in a roadworthy condition;
 - (v) ensure that any information you give us as part of a claim document or statement to us is honest and complete;
 - (vi) ensure that if your Recreational Vehicle is taken off-road that it is suitably equipped to handle the conditions and/or terrain of the intended travel.

Not meeting your responsibilities

If you do not meet your responsibilities we may do either or both of the following:

- reduce or refuse your claim; and
- cancel your policy.

If fraud is involved we can treat your policy as if it never existed. The above rights are subject to any relevant law.

Special conditions

We may impose special conditions on your policy that exclude, restrict or extend cover for a certain person or condition.

An example of this would be when we may not cover certain drivers. These conditions will be listed on your policy schedule and you should read the policy schedule carefully.

Your premium

In return for paying or agreeing to pay us your premium, we will provide the cover that you have chosen.

Your premium will be based on our view of the likelihood of a claim being made on your policy during the term of the policy. When we work out the premium we look at a number of factors that have over time been shown to be a good determinate of the likelihood of a claim being made. Some of these factors include:

- the type of Recreational Vehicle you have insured and where you keep it;
- the value you nominate for your Recreational Vehicle (where you have chosen to insure your Recreational Vehicle for an agreed value; and
- your previous driving and/or insurance history.

Minimum premiums may apply. In some cases, discounts/entitlements may apply if you meet certain criteria we set.

Any discounts/entitlements may be subject to rounding and only apply to the extent any minimum premium is not reached. If you are eligible for more than one, we also apply each of them in a predetermined order to the premium (excluding taxes and government charges) as reduced by any prior applied discounts/entitlements. Any discounts/entitlements will be applied to the base premium calculated prior to any taxes being added.

Paying your premium

You must pay your premium on time and as stipulated on your policy schedule.

Your policy schedule shows the amount you need to pay and the due date for your premium.

What happens if you don't pay your premium on time

You need to pay your premium by the due date. If you do not pay your premium by the due date, your policy will be cancelled and you may not be able to make a claim.

We may deduct any outstanding premium amount or incorrectly refunded premium, from any claim payment.

Fourteen day cooling off period

You can ask us to cancel your policy within fourteen days from:

- the date we issued you a new policy;
- the start date of a policy that you have renewed,

and in either of these situations, provided you have not made a claim or an event has not occurred that could give rise to a claim on your policy, we will refund your premium. We may deduct from your refund amount:

- any reasonable administrative and transaction costs incurred by us that are reasonably related to you buying and cancelling your policy and any government taxes or duties we cannot recover; and
- at renewal a pro rata premium for the time on risk if you cancel your policy. In addition to your cooling off period, you can cancel the policy at any time by calling us. Refer to the “cancellation rights under your policy” section for further details.

Renewing your policy

You will receive a renewal notice at least 14 days prior to the expiry date of the period of insurance advising whether we will offer renewal or not.

If we offer renewal, the renewal notice will set out the renewal terms, including the new premium and excess(es).

If you do not want to take up the renewal offer or need to vary it, or the information listed, contact us before the renewal.

Each renewal is a separate policy, not an extension of the prior policy and the cooling off period applies on each renewal.

Assigning your rights and appointing a representative

You are not allowed to assign any benefits, rights or, obligations under your policy unless you have our written permission to do so.

You need to tell us if you want to have someone represent you and we need to agree. This also applies if you want someone to manage your policy or claim.

Governing law

Your contract is governed by the law of the State or Territory within Australia where you keep your Recreational Vehicle.

Duty of Disclosure

Your Duty of Disclosure

Before you enter into this insurance with us, you have a duty of disclosure under the Insurance Contracts Act 1984.

The Act imposes a different duty the first time you enter into a contract of insurance with us to that which applies when you vary, extend or reinstate the contract.

This duty of disclosure applies until the contract is entered into (or varied, extended or reinstated as applicable).

Your Duty of Disclosure when you enter into the contract with us for the first time

When answering our specific questions that are relevant to our decision whether to accept the risk of the insurance and, if so, on what terms, you must be honest and disclose to us anything that you know and that a reasonable person in the circumstances would include in answer to the questions.

It is important that you understand you are answering our questions in this way for yourself and anyone else that you want to be covered by the contract.

Your Duty of Disclosure when you vary, extend or reinstate the contract

When you vary, extend or reinstate the contract with us, your duty is to disclose to us every matter that you know, or could reasonably be expected to know, is relevant to our decision whether to accept the risk of the insurance and, if so, on what terms.

What you do not need to tell us

Your duty however does not require disclosure of any matter:

- that diminishes the risk to be undertaken by us; or
- that is of common knowledge; or
- that we know or, in the ordinary course of our business as an insurer, ought to know; or
- where compliance with your duty is waived by us.

Non-disclosure

If you fail to comply with your duty of disclosure, we may be entitled to reduce our liability under the contract in respect of a claim, cancel the contract or both.

If your non-disclosure is fraudulent, we may also have the option of avoiding the contract from its beginning.

Your no claim bonus (NCB) or rating level

A no claims bonus and a rating level mean the same thing.

Your no claims bonus or rating level rewards you for not having made claims. With this feature, each additional consecutive year that you and the covered drivers on your policy have not had a claim helps keep your premium lower (up to a maximum).

When a claim is made, the no claims bonus or rating level may be reduced (including to nil).

When you retain your no claim bonus

Your no claim bonus level will not be impacted when:

- the driver of the Recreational Vehicle at the time of the accident did not contribute to the cause of the accident, and the claim is a recoverable one. Recoverable is a word with a special meaning in this document. This meaning is outlined in the section “Words with special meanings”;
- your Recreational Vehicle was damaged whilst parked, and you supply us with the name, address and licence number of the responsible party, and/or the registration number(s) of the other vehicle(s) involved in the accident;
- the amount we have paid out to cover your loss has been recovered.

Premiums are calculated prior to no claim bonus discount being applied. The premium for a policy may increase if affected by a claim, regardless of whether the no claim bonus discount amount is altered.

When your no claim bonus is impacted

Your no claim bonus level will be impacted when:

- you have lodged one or more at fault, non-recoverable claims against your policy during an annual policy period.

At fault/non-recoverable claims that will not impact your no claims bonus are claims for:

- mechanical and electrical breakdown towing;
- medical emergency assistance cover and injury cover;
- fusion;
- windscreens/glass.

Rating One Protection

Where you currently have Rating One Protection guarantee on your policy schedule and you lodge more than one at fault/non-recoverable claim against your policy during the current annual policy period, your rating one protection will not be offered on the renewal of your policy.

Comprehensive Recreational Vehicle Insurance

Accidental physical loss or damage to your Recreational Vehicle

We will cover you for accidental physical loss (including theft) or physical damage to your Recreational Vehicle during the period of insurance, subject to the other terms of this section and the policy (including those relating to the limits and excess).

Loss or damage incidents covered under this policy include:

- accident/collision;
- theft or attempted theft;
- fire;
- storm;
- hail;
- flood;
- malicious damage;
- any other incident arising from an accident that is not excluded by the policy terms and conditions.

Where new for old replacement of a new Recreational Vehicle after a total loss does not apply, at our option we will:

- repair your Recreational Vehicle; or
- pay the reasonable cost of repairing your Recreational Vehicle; or
- pay you the market value of your Recreational Vehicle when the current policy schedule shows your Recreational Vehicle is insured for market value; or
- pay you the agreed value of your Recreational Vehicle when the current policy schedule shows your Recreational Vehicle is insured for agreed value.

Where we repair your Recreational Vehicle and it is an imported vehicle the maximum we will pay you is the equivalent costs of similar parts/accessories that are available in Australia.

Further we will adjust your claims payment in accordance with the GST provision shown under GST notice.

Contribution to repairs and/or replacement

You may have to contribute to the cost of repairs and/or replacement affected by age, neglect, wear and tear, weathering, rust or corrosion.

If the repair to your items leaves them in a better condition than before they were damaged, we may ask you to contribute to the repair cost. If we ask you to contribute we will always explain why, tell you how much it will be and how to pay it prior to the authorisation of any repairs.

New for old replacement of a new recreational vehicle after a total loss

We will replace your Recreational Vehicle with a new Recreational Vehicle of the same make, model, size and features including any modifications, options and accessories, so long as it is available in Australia provided:

- your Recreational Vehicle is a total loss; and
- you purchased it new (or as a demonstrator model) from the manufacturer or their dealer; and
- where your Recreational Vehicle is financed, your financier has given us written consent; and
- your Recreational Vehicle is less than two years old from when it was first registered at the time it is declared a total loss.

If a new replacement Recreational Vehicle is not available, we will pay you either the market value or agreed value of Your Recreational Vehicle, whichever is noted on the current policy schedule of your Recreational Vehicle.

If the payment of an excess is applicable it is payable to us up front before we replace your Recreational Vehicle.

We also pay the registration, stamp duty and dealer charges for the period registered (but not exceeding 12 months) on the new Recreational Vehicle.

Temporary cover on replacement recreational vehicle

If you sell or give away your Recreational Vehicle and replace it with another one and notify us beforehand, we will provide temporary cover for the replacement Recreational Vehicle for 14 days only from the time you sold or gave away the Recreational Vehicle on the same terms set out in your policy, except that we will only insure the replacement Recreational Vehicle for the market value.

If cover is to continue on the replacement Recreational Vehicle:

- you must give us full details of the replacement Recreational Vehicle during the 14 day temporary cover period;
- you must obtain our agreement to cover your replacement Recreational Vehicle; and
- you must pay any extra premium we require.

Awning and/or Annexe

We will cover you for any accidental loss of (including theft) or physical damage to your awning and/or annexe. If your awning and/or annexe is greater than five years old, and a total or partial loss occurs and we decide to replace or pay you the cost of replacing it, we may subtract an amount for depreciation. The depreciation is calculated on the age and condition of the awning and/or annexe at the time of the loss.

We will not pay for any loss or damage to your awning and/or annexe that is greater than ten years of age.

The maximum we will pay in respect of any one incident is included in your agreed value.

Other benefits we will pay

Unless we have stated differently under one of the other benefits listed below, the benefit will only apply where we have accepted your claim for accidental loss of or accidental damage to your Recreational Vehicle (called a covered accident) under the policy and any payment we may make under this section will be paid in addition to any amount payable for the loss of or damage to your Recreational Vehicle.

- there is no physical evidence of forcible and violent entry; or
- the theft or attempted theft is by someone who is in your Recreational Vehicle with your consent; or
- the theft or attempted theft is from an annexe, awning or other part of the Recreational Vehicle which is made of canvas, vinyl or similar soft materials.

- any associated repair or replacement costs for items such as fuses, switches, electrical components, printed circuit boards, bearings, lighting or heating elements, protection devices, awning motors or electrical contacts at which sparking or arcing occurs in ordinary working;
- the cost of repair or replacement of rectifiers, inverters and transformers;

Making a claim

Assisting us with your claim

You must assist us with your claim. You must contact KTA as soon as possible if there is any accidental loss, damage or liability which requires our assistance and is likely to result in a claim or alleged liability. This means give us all the information and assistance with your claim which we may reasonably require. If you do not we may not pay your claim or provide cover.

If we have the right to recover any amount payable under this policy from any other person, you must co-operate with us in any action we may take.

Deciding who is at fault

We will be solely responsible for deciding whether you contributed to the cause of an accident.

What we pay for

If we agree to settle your claim, we will:

- decide whether to repair your Recreational Vehicle, pay the reasonable cost of repairing your Recreational Vehicle, pay the market or agreed value (as applicable);
- pay any other benefits that apply;
- pay for any optional covers you have chosen and paid for;
- deduct any amounts that apply to the policy such as excess.

How we will settle your claim

We may choose to settle your claim in any of these ways.

Repair your recreational vehicle

You have the right to choose who you require to repair your vehicle. All we require is one written quotation to be forwarded to KTA prior to commencement of repairs.

To see what happens when a decision is being made on a repairer see the section "Choosing a repairer".

Pay your claim as a Total Loss

We may pay out your claim as a total loss when we consider your Recreational Vehicle to be a total loss or when we choose to do so. If we pay out your claim as a total loss, your policy may come to an end and there is no refund of premium to you for any unexpired period of the policy.

If we pay the market value or agreed value (as applicable) less any applicable excess, upon settlement we will keep the Recreational Vehicle unless you have been offered the option to purchase the salvage of the insured vehicle.

In addition we will pay the costs of transporting your undamaged personal contents up to a maximum of \$1,000.

No cover after a Total Loss

On the date we confirm that we will pay your claim for the total loss of your Recreational Vehicle, all cover under the policy in respect of that Recreational Vehicle will cease, except where a replacement Recreational Vehicle is provided by us.

Pay for other benefits

If we agree to pay you other benefits under the policy, we will choose the reasonable cost. We will repair, replace or pay the relevant loss or damage (as applicable) up to the maximum amount that applies under the benefit.

What happens to your property

Recovered Recreational Vehicle

If we settle your claim for a total loss and the Recreational Vehicle is later recovered we will have the right to keep the recovered Recreational Vehicle.

Damaged property

If we settle the claim for a damaged item then it becomes our property.

Creditor provider's rights

You must tell us if you have used the Recreational Vehicle as security for a loan or when you become aware of a Personal Property Securities Register notification being registered against the Recreational Vehicle. This may also apply if you have a lease or hire purchase agreement on your Recreational Vehicle.

When you do this we note the credit provider on your Recreational Vehicle Policy Schedule.

When there is a credit provider noted:

- we treat the Recreational Vehicle as being under a finance arrangement;
- we treat any statement, act, or omission or claim by you as a statement, act or admission by the credit provider; or
- we may recover any payment either in your name or the credit provider's name.

Payments to the credit provider

If we pay you for a claim on your Recreational Vehicle under a finance arrangement, we first pay the credit provider the lower of these amounts after deducting any excess and deductions that apply:

- the market or agreed value (as applicable);
- the cost of repairing your Recreational Vehicle; and
- the balance owing to the credit provider under the finance arrangement.

If the credit provider is entitled to the salvage of the Recreational Vehicle, we will deduct the estimated salvage value of the Recreational Vehicle from any amount we pay them.

However we will only pay the credit provider if they:

- are noted on your policy schedule; and
- give us any help we ask for.

If we make a payment to a credit provider, then that payment discharges our obligation to you under your policy for the amount paid.

If we decide to settle your claim as a total loss, before we settle your claim:

- we will check the Personal Property Securities Register to confirm whether any money is owing on your Recreational Vehicle; and
- you must settle any finance arrangement over your Recreational Vehicle and remove it from that register.

Business registered for GST

If you are a business registered for GST, before we make any payment on your policy, we will deduct an amount equal to your input tax credit entitlement. This applies to any amount we pay, including where we state that an amount will include GST.

We will consider any payment we make to settle your claim to be made in full even if we have reduced the amount we pay as described above.

GST notice

This policy has a GST provision in relation to premium and our payment to you for claims. It may have an impact on how you determine the amount of insurance you need. Please read it carefully. Seek professional advice if you have any queries about GST and your insurance.

Sums insured

All monetary limits in this policy may be increased for GST in some circumstances.

Claim settlements – Where we agree to pay

When we calculate the amount we will pay you, we will have regard to the items below:

- Where you are liable to pay an amount for GST in respect of an acquisition relevant to your claim (such as services to repair a damaged item insured under the policy) we will pay for the GST amount.

We will pay the GST amount in addition to the sum insured/limit of indemnity or other limits shown in the policy or in your current policy schedule.

If your sum insured/limit of liability is not sufficient to cover your loss, we will only pay the GST amount that relates to our settlement of your claim.

We will reduce the GST amount we pay for by the amount of any input tax credits to which you are or would be entitled.

- Where we make a payment under this policy as compensation instead of payment for a relevant acquisition, we will reduce the amount of the payment by the amount of any input tax credit that you would have been entitled to had the payment been applied to a relevant acquisition.
- Where the policy insures business interruption, we will (where relevant) pay you on your claim by reference to the GST exclusive amount of any supply made by your business that is relevant to your claim.

Disclosure – Input tax credit entitlement

If you register, or are registered, for GST you are required to tell us your entitlement to an input tax credit on your premium. If you fail to disclose or understate your entitlement, you may be liable for GST on a claim we may pay. This policy does not cover you for this GST liability, or for any fine, penalty or charge for which you may be liable.

Recovery against another party

We have the right to recover from any person, in your name, the amount of any claim paid under this policy and we have full discretion in the conduct, settlement or defence of any claim in your name. If we recover more than the amount we have paid to you or on your behalf, we will pay you the balance. You agree to cooperate to the extent required in the recovery process.

The amount of excess you have paid will only be refunded when we have recovered the total amount we have paid under your claim, unless we have agreed otherwise.

Repairing your Recreational Vehicle

If we choose the option of repairing your Recreational Vehicle, we will decide the best way of repairing any damage that exists.

You have to obtain prior written approval from us before starting any repairs on your Recreational Vehicle.

Choosing a repairer

We can assist you in selecting a suitable repairer to repair the damage to your Recreational Vehicle. You also have the right to choose your own reputable repairer all we require is one written quotation to be forwarded to KTA prior to commencement of repairs. In both instances we will work closely with the repairer to strive to achieve the best repair outcome for you however we may require a second quotation from a repairer chosen by us. We will then choose (subject to any relevant policy limits) to:

- authorise the repairs at your repairer of choice; or
- pay you the reasonable cost of repairing your Recreational Vehicle; or
- move your Recreational Vehicle to another repairer.

Authorising repairs

You may only authorise emergency repairs as detailed under the “Emergency repairs” benefit. You cannot authorise further repairs to your Recreational Vehicle without our prior consent.

Before we make a decision regarding your claim and repairs to your Recreational Vehicle, we may need to inspect your Recreational Vehicle. An assessor will be appointed by us. We or our assessor will make the necessary arrangements with you.

- where diagnosis is required to determine if there has been a covered accident, if you or we incur costs for such diagnosis and reassembly; and
- the claim is subsequently accepted as valid by us, we will bear these costs subject to sum insured/limits of liability; or
- if the claim is not lodged or the claim is not subsequently accepted by us, you agree to pay for the diagnosis and reassembly costs.

Parts used to repair your Recreational Vehicle

If we are unable to repair the part, we use new, recycled or reconditioned parts that meet the requirements of Australian Design Rules (ADR). If such parts are not available or appropriate, parts from alternative distribution channels may be used.

We will not pay any amount greater than the maker’s last list price in Australia together with a reasonable charge for fitting and a maximum freight cost per claim of \$500, for the supply of any spare part, extra or accessory.

In the event that any spare part, extra or accessory cannot be obtained within a reasonable time, we may choose to pay you the value of the spare part, extra or accessory (together with a reasonable charge for fitting) rather than supply the spare part, extra or accessory.

Guarantee on repairs

We guarantee materials and workmanship on repairs we authorise for as long as you own, lease or have a hire purchase agreement on your Recreational Vehicle. This guarantee is not transferable.

Unrepaired damage

If your Recreational Vehicle had any unrepaired damage before an incident, then you may need to contribute to the repair costs.

You need to do this when the damage caused by the incident results in us having to repair more areas of your Recreational Vehicle than were affected by the unrepaired damage. We will not repair undamaged areas of your Recreational Vehicle or awning and/or annexe to ensure a uniform appearance.

Excesses/Deductions

An excess is the amount(s) shown in the policy schedule which you must pay when you make a claim under your policy unless we state an excess does not apply. More than one excess may apply.

There are different types of excess which may apply to you at the time of the claim.

The excess types are shown on the policy schedule under the heading Excess Your Contribution to any claim.

The payment of an excess helps to keep the cost of your premium down by reducing the number of small claims made against our insurance policies. These are:

Basic excess

The basic excess is the first amount you must pay on each claim. The amount of the basic excess will be shown on the policy schedule, next to the heading "Basic excess".

The basic excess is comprised of the "Minimum basic excess", the "Voluntary excess" and any "Additional excess".

Minimum basic excess

The minimum basic excess is the amount that you must pay for each claim. The amount of the minimum basic excess will be shown on the policy schedule, next to the heading "Minimum basic excess".

Voluntary excess

Choosing a voluntary excess allows you to reduce your premium by selecting a higher basic excess. It applies in addition to the minimum basic excess.

The voluntary excess you choose will be shown on the policy schedule.

Additional excess

An Additional excess may be applied to a policy due to risk based underwriting criteria. It applies in addition to the basic excess. Any Additional excess amount will be shown on the policy schedule.

Age and inexperienced driver excess

If you make a claim for an accident when your vehicle was being driven by a driver under the age of 25, you must pay the minimum basic excess plus the age excess as shown on the policy schedule.

If you make a claim for an accident when your vehicle was being driven by an inexperienced driver who has held a current Australian driver's license for less than 3 years, you must pay the basic excess plus the inexperienced driver excess as shown on the policy schedule.

If you make a claim for an accident when your vehicle was being driven by a driver under the age of 25 and was being driven by an inexperienced driver who has held a current Australian driver's license for less than 3 years, you must pay the basic excess plus the age excess as shown on the policy schedule.

When you do not have to pay your excess

You will not have to pay any excess if:

- the claim relates to damage, that we agree, was the fault of a person, other than the driver of your vehicle or the driver of the towing vehicle, at the time of the incident; and
- you can provide us with the name, address and registration number of the other person; and
- the claimable loss is recoverable by us; or
- the claim is for:
 - Mechanical and electrical breakdown towing; or
 - Medical emergency assistance and injury cover; or
 - fusion.

In the event that the fault of the incident, which gave rise to the claim, is in dispute, you will be required to pay the excess and the excess will be refunded if we are successful in establishing the fault of the other person.

Other deductions

If we finalise your claim as a total loss there are other amounts we deduct before we pay out your claim:

- any unpaid premiums that cover the rest of your policy; and
- salvage value, if applicable. Normally we will keep the Recreational Vehicle in the event of a total loss but if we agree to let you keep the wreck then we will deduct its estimated salvage value.
